

Concrete Comprehensive Coaching

Compass focuses on bringing tested and proven advice to each individual. Utilizing the best scientific research available, *Compass* discovers the traits that have greatest impact on future success in personal and team development.

It is not enough to simply profile a person; they need concrete instructions on how to intentional about what they learn. *Compass* not only identifies potential and purpose, it mentors clients in the development of their passion and provides coaching on how to apply it to life decisions.

Compass, Inspiring True Genius

When people learn, work and function in the area of their gifting, they are happier, more successful and more fulfilled. They perform at high levels and live the life they are designed to live.

Become a Certified Compass Coach

We certify qualified candidates in the use of *Compass* and our Living My Purpose process so they can have significant impact on organizations and in the lives of people.
